

NWT TAEKWONDO ANTI-DOPING POLICY

The NWT WTF Taekwondo Association (“NWT Taekwondo”) is committed to the Canadian Anti-Doping Program (CADP) adopted by Taekwondo Canada (TC), to ensure a level playing field for athletes competing in the Northwest Territories (NWT), as well as NWT athletes competing outside of the NWT. As a member of TC, all members of NWT Taekwondo are affiliate members of TC and are subject to Canada’s anti-doping rules, which are administered by the Canadian Centre for Ethics in Sport (CCES).
